

DEAR HEAVEN,

PAGE 1

My NAME is Sa'Ron Foley. I know you don't know me but I know of you. Before I move alone in this brief letter, let me say this: I am SORRY for the loss of your mother. THE REASON I am writing you ~~you~~^{this} because about 3 or 4 yrs ago I was reading a news paper and saw a article talking about your father, MR. VERNON T. BATEMAN first book - "Mommy I want to Fly."

The 4 letters I read jumped off the paper and hit me like a ton of bricks, and I said to myself - I had to reach out to you, and ask for your mercy and forgiveness. I want you to know that, I lied on your father with the help of DET. MARY BANKS. your father NEVER had anything to do nor was he at the house this alleged offense took place.

I am willing to testify to this matter, plus a D.N.A test will prove that these events that I am writing you about NEVER took place and your father is a innocent man. I must admit this, for the longest of time I have lived with this lie and in order to move into my future, I must do the Right thing, and doing everything in my power to get your father VERNON BATEMAN out of
