

AFFIDAVIT

Comes the Affiant, SaRon Foley, and declaring under oath and penalty of perjury does depose and say:

My name is SaRon Foley. I am writing this letter because I am one of the most exculpatory witnesses to someone's innocence, and the person is Vernon T. Bateman. 20 yrs ago, I was part of one of the biggest cover-ups in Lake County history - when an innocent man was convicted of an alleged crime, made up by me and Det. Mary Banks. As I sit here and write this letter, I pray that you can help me in this matter. Vernon T. Bateman is innocent of this crime. Before I move along in this letter, I must point out that, I have written several affidavits on Vernon T. Bateman behalf, but was never called to court to testify to this alleged crime. My letters and affidavits have gone on deaf ears for too long. I will now take you back 20 yrs ago, to the alleged Rape of Angela Truitt. For starters, the most exculpatory test known to man-kind was never done because this case was made up by me and Det. Mary Bank. That test is D.N.A. Furthermore, Vernon T. Bateman was never at 400 Progress Court, at no point in time. As I write this letter, it pains me because I have been living with this lie for 20 yrs and it has effected so many lives. This made up case is because Det. Mary Banks son, Dwayne Banks was killed and she is seeking justice for her son. I must speak on some events on some events that took place on 1-23-98 - between the times of 4:15 AM and 6:00 AM. A 911 call was made by Takisha Nash about an alleged assault,

At 400 Progress Ct. by myself and Vernon T. Bateman. If this is so, it is humanly impossible for Vernon Bateman to be at two crime scenes at the same time. For the most part, I have nothing to gain by writing this Affidavit but telling the world the truth. Vernon T. Bateman is innocent of the Rape of Angela Truitt. Before I close this Affidavit, I have written several letters to a few of Vernon's lawyers, to name a few - Mr. David Snider, Russell Brown, Mr. Scott King, Mr. Robert Lewis and Mr. Ray Zermack. I pray that this is the start of an innocent man being released. Please help in this matter.

Further, Affiant Sayeth Naught.

I hereby swear and affirm under the penalties for perjury that the foregoing is true and correct to the best of my knowledge and belief.
